CUMMING OF AGE!

JEEZ, where did the time go? One day THE PICTURE was a new born bub of a mag, crawling around shitting its nappies, next thing ya know, 30 years have gone by in a blur of tits, beer, porn legends, disgraceful yarns... and beer. And tits. And so on.

Yeah, it's been quite a ride, and the world is a different place now to what it was in 1988, when THE PICTURE started. Beer costs a fuck of a lot more, for a start. But y'know, the more things change, the more things stay the same.

Just as we were getting the 30 anniversary issue ready, who should drop into our offices to say hello and crack a longneck or two but Seppo porn star Kendra Sunderland.

Tits, beer, porn legend... somehow it all felt very familiar.

LIKE A PIE of this

Have a double-helping of Tessa Fowler

ICE

SEPPO model Tessa fowler has something in common with her millions of fans – she loves her H-cup titties as much as they do!

The ridiculously racked ranga from South Carolina knows that, despite the drawbacks of having boobs the size of watermelons, they're the reason for her worldwide fame and adoration.

"Seat belts constantly slide up my breasts to my neck, I can't ever go without a bra, it's hard to find a comfortable position to sleep in, running hurts like you wouldn't believe – and I wouldn't change a thing!" she reckons.

"My breasts are such a pain, but I don't even know what I'd do without them!"

LET'S GET THIS PARTY STARTED!

the Picture
30
YEARS

Now 26, the former Hooters waitress and Playboy model says that while she's happy to get her tits out while she parties at Mardi Gras in New Orleans or play the occasional game of nude beer pong, she's still a shy, small-town girl at heart.

"I get anxious when people ask me to dance. However, I do love turning on some dirty rap music and shakin' it when I'm getting out of the shower. My bathroom turns into a strip club!"

But if you can't manage to sneak into Tessa's bathroom and disguise yourself as a towel rack, there's always the chance you might get to know her over a few drinks at a bar somewhere.

"It depends how much alcohol is in my system – I'm a little shy until I've had a few drinks. But after my second drink I'm as charming as George Clooney at a women's college volleyball camp!"

Now THAT's charming!

EXTRA! EXTRA! READ ALL ABOUT TIT!

LONDON!

Charlotte Springer baked us this beaut cake, bunged some candles on it and got her tits out, now all she needs is for you to huff and puff and have a blow.

MANCHESTER!

All you have to do to get a party going is tell Pommy model Sophie Reade when and where and she'll be there, tits out and booze in hand. What a champion!

PRAGUE!

No point in having F-cup funbags like Czech spunk Shione Cooper's if ya can't put 'em to good use. And serving champers for our 30th is as good as it gets.

the Picture 30 YEARS

NEW YORK!

The party's started and Seppo stunner Erica Campbell is still eating cake in a towel. Typical.

CORNWALL!

All big boobed Brit Charley Atwell needs is a few glugs of grog and she's down to her stockings in no time. Which is why she gets invited to so many parties.

MOSCOW!

Veronika was so excited about THE PICTURE's birthday she stayed up all night blowing up balloons for us. We just hope she's got a bit of pucker left!

Pinup Files, Adam Turner

NEWS FLASH

THIS SHIT REALLY HAPPENED!

He'll still shit on ya car, but

WINGMAN

YOU'LL never cop a speeding ticket from a radar camera again if you have a birdy buddy like this driver. All you need to do is train a seagull, or any appropriate species, to fly between the camera and your number plate at the right moment and Bob's your fucken uncle. The good thing is they work for birdseed!

Riverbank picnic, NT style

CROC TEASE

HERE'S one for you ladies, 'cos we know how you all like some TWO CROC action. This big ol' saltie was photographed chowing down on a less than impressed freshwater croc in the Daly River, up in the NT, the other day. The saltie just cruised up and grabbed junior, then ATE HIM LIKE A SALAMI. That's Oz for ya, eh readers – even our crocs are afraid of crocs.

TOP 'TACHE

INDIAN bloke Girdhar Vyas has spent 30 years growing his world record 6.7 metre long moustache, which he spends three hours grooming each day. The 58-year-old champion, from Rajasthan, rubs it down with oil, lemon juice and pepper to keep it fresh and zesty for the tourists who queue up to have their photo taken with him – and IT. At least he always has something to snack on.

ARMS RACE

RUSSKI idjit Kirill Tereshin, 21, has pumped his arms full of some shit called Synthol to claim he has the biggest biceps in all of Russia. Now 62cms around, his upper arms look like balloons full of pus, which is pretty much what they are. "Nobody has arms like that," he reckons. "I am number one. In order to reach such a size, you need to inject litres into your arms... I was feeling like I was dying, but then it all turned out fine." Docs say it's only a matter of time before his arms burst like popped pimples.

I'M THE JORDAN OF BICEPS

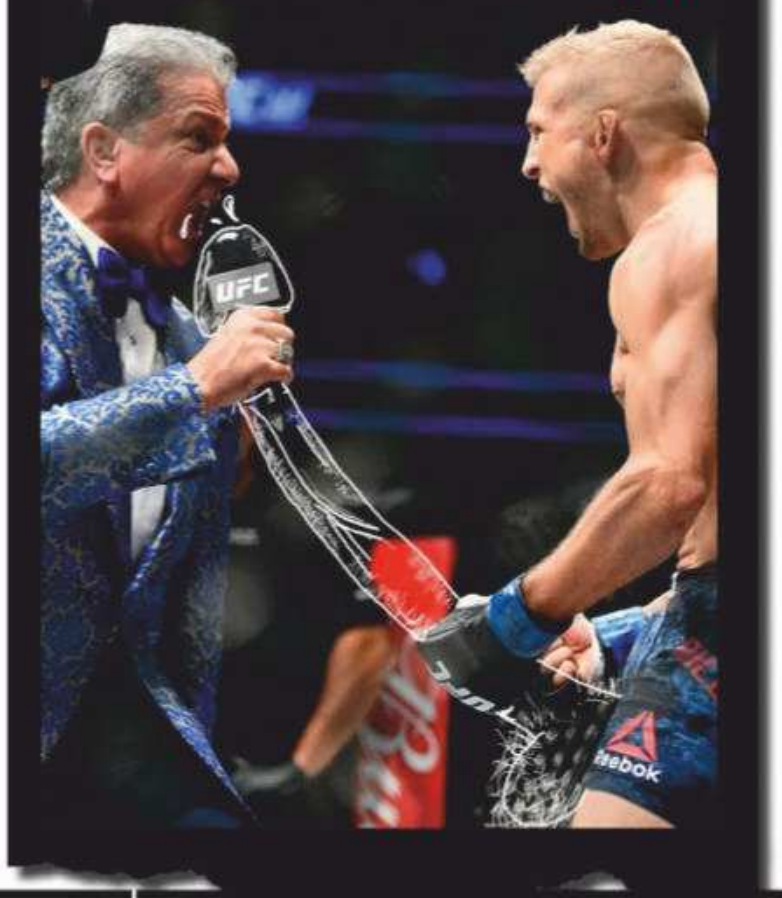
DIE HARD!

ITALY'S most famous pantsman – OK, after Silvio Berlusconi maybe – has dropped dead while fucking a babe one third his age. Nightclub entrepreneur Maurizio Zanfanti, 63, who claimed to have rooted more than 6000 chicks, was on the job with a 23-year-old Eastern European spunk in his mansion in Rimini when his ticker gave out. They'll have trouble getting the lid on THAT coffin!

WHAT A COCK UP!

AN AD for travel company Thomas Cook painted on the side of some planes turned out to be a BIT FUCKEN RUDE when the emergency doors were opened. Turned out, instead of reading 'I ♥ Cook's Club' it reads 'I ♥ Cock's Club'. Which could be embarrassing. Unless, of course, they do love cocks, in which case, good luck to 'em. There's nothing wrong with that. We're all broadminded adults here.

WE DREW A COCK ON IT #329



THANKS FOR THE M

PICTURE mag's most memorable

1990 Home Girls!

At last, the average Aussie sheila is allowed to get her gear off in a men's mag, while still remaining an average Aussie sheila. A YOOOOJ leap forward for women, we reckon. Not bad for MANKIND either.

Iggy Azalea was born as one huge ARSE. The rest of her grew on later.

MAMMARIES

nude moments through the ages

BACK in 1988, Bob Hawke was our prime minister, Alan Border was Australian test cricket captain and Donald Trump was just another rich Seppo with BELIEVABLE HAIR.

It was a simpler, nicer, STUPIDER time, but the one thing lacking was a decent Aussie men's mag.

Somehow *Home & Tractor* and *Australasian Shovel* didn't cut it, so THE PICTURE was cunningly invented to fill the void.

And what a void filler it turned out to be!

Right from the get-go, with the combination of tits, bigger tits, UNFEASIBLY LARGE tits, plus some world-beating journalism, it cornered the market.

Here are some significant nude events in PICTURE history to dwell on over a brekky beer or two. Picture

THE OFFICE OF MALCOLM TURNBULL (and then he got sacked...HA HA HA!)

Thank you for your request to the Prime Minister, the Hon Malcolm Turnbull MP, to provide a message for the 30th Year of Production edition of the Picture Magazine. As you will appreciate, the Prime Minister receives numerous requests from a large number of organisations and individuals to provide messages for various events throughout Australia and overseas. Unfortunately, he is unable to accept all requests and regrettably we must decline at this time.

ISABELLE DELTORE

Happy dirty 30, PICTURE mag. You were my first nudie mag. So many awesome issues of perfect titties and pretty pussies.

KYLE SANDILANDS

Thank you for the note below and Congratulations on 30 years of The Picture Magazine! However, unfortunately we won't be able to get a comment over to you for this.

ASHTON AVENUE

Congrats on the big 3-0! I hope you guys spend your birthday like I did... surrounded by strippers, cupcakes and booze. Looking forward to showing my cans off inside you soon.

CARL LAGERFUELLED

Giz a slice a cake and a litre of crème de menthe? Fuck ya, then. It's been a fucken joy and a privilege to be associated with THE PICTURE for all these years, so happy birthday and all that shit. Now unpadlock the drinks cabinet, youse cunts.

RODNEY RUDE

Bad news, Bill Cosby is getting special privileges in jail and will only do three years soft time. However, women's groups say, so what, his arsehole will do ten years hard time. Happy Birthday Picture Magazine from Rodney Rude.

UTE Beauty!

20,000 party on at Deni

SO BELOVED is the ute in Australia that 20,000 devotees of the world's best utility vee-hickle showed up at the Deniliquin Ute Muster this year to honour it.

Aw yeah – and to have 20 MILLION BEERS, chuck wheelies in a paddock, demonstrate the noble art of the BROWNEYE, drink rum until it COMES OUT THEIR EYEBALLS and generally have a hoot of a time.

Just think, when it all started back in 1999 a mere 2000 people rocked up, and the organisers thought THAT was huge.

Now the Muster is the biggest revhead bash/country music festival/swill-athon in the country.

For the 20th Muster, local heroes Kasey Chambers and Troy Cassar-Daley did the musical honours while Seppo songstress Carrie Underwood added a bit of your international glamour.

Even Nick 'The Money Spadger' Cummins, from that shit TV show *The Bachelor*, showed up to neck a few beers and put his gnarly head about.

But we hear he didn't take the babe he won on the show, so maybe he was hoping to pick up there.

Anything's possible at the Muster, Spadge! ■ Picture

This time it's Miami's turn to play

TITS!
These blokes were happy little Vegemites at being offered a squiz at Scarlett's chest potatoes. The cash didn't even get a look in!

TITS!
This tradie had been TRADIE-ING hard all morning and was sorely in need of some TITTY TREATMENT.

TITS!
This concreter correctly opted for the norks over the notes. As a result, his job just kept getting HARDER. As it should.

Thirty

THERE might be an election heading our way, but the only poll that really matters to Aussies is the world famous Tits or the Twenny poll – bumped up this issue to an amazing THIRTY BUCKS!

We sent PICTURE babe Scarlett out into the streets of Miami on the Gold Coast to take the pulse of the nation on this pressing issue.

As usual, most of our contestants opted for the flash over the cash, and can you really blame them?

Some things are more important than money. Aussies know this. That's why we are the CHOSEN PEOPLE. Picture

TITS!

Old mate works as a panel beater, so no way he'd pass up a chance to see this pair of TRAFFIC STOPPERS!

TITS!

He was driving a forklift when Scarlett rocked up, but happily hopped down to check out these wonderful wumbas.

TITS!

This champion builder was so excited by the tits, even his thumb got a stiffy. Mission accomplished!

THIRTY!

"I'm going down to the servo and spend the dosh on PICTURE mags," said Karl. "That way I'll have the tits for longer." We can't fault him on his logic, but still...

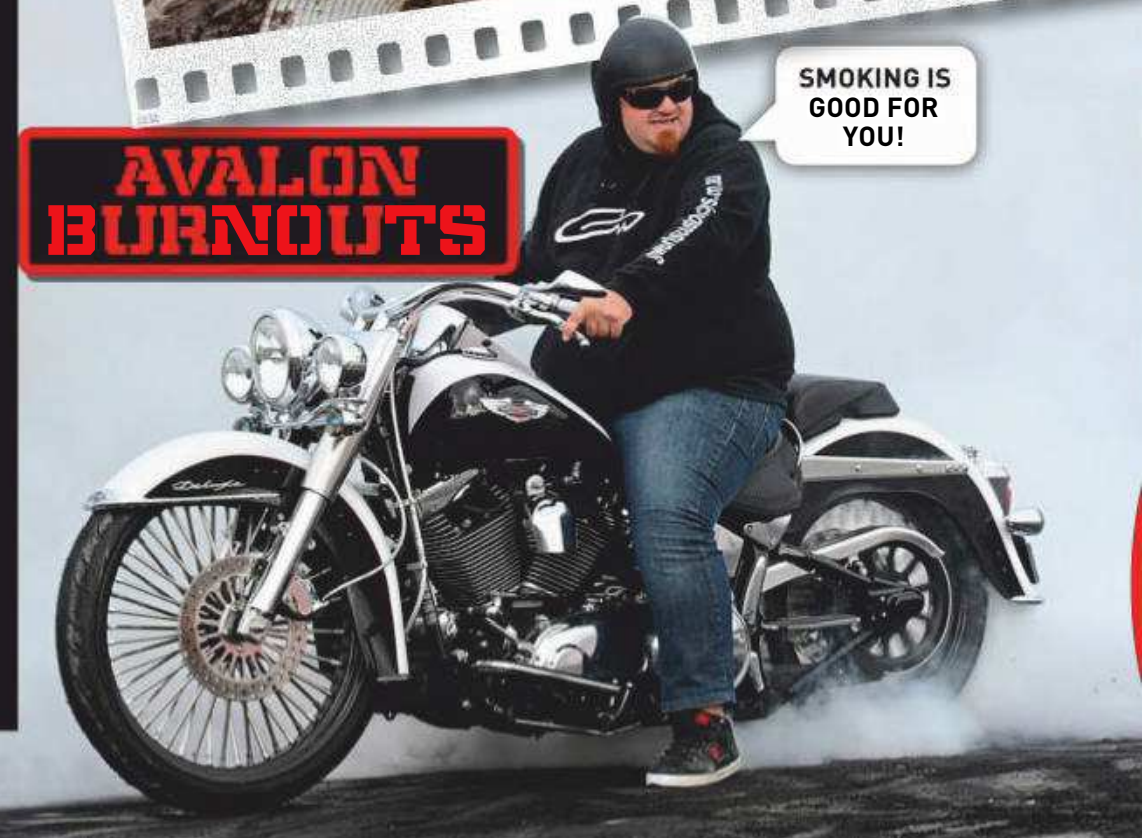
AVALON BURNOUTS



TAMWORTH WET T-SHIRT COMP

IT SEEMS like the last 30 years has been one continuous party – and that's probably because it HAS!

Every week there was some bunch of no-good, down 'n' dirty party hounds getting up to mischief somewhere around the country, and wherever it was, most likely we were there, too.

Bike shows, B&S balls, burn-out comps – you name it, THE PICTURE rocked up, got the photos, and kept the negatives in a double-locked safe to blackmail everyone with later.

Only now nobody uses negatives anymore, so there goes our retirement fund. Shit, eh.

Have a look at this cavalcade of bad behaviour, and if you recognise yourself in there somewhere acting like a complete animal... well, SHAME ON YOU! Picture

THINKING OF GETTING A TATTOO? WHY DON'T YA...

STICK IT IN YOUR ARSE!

« Freckle tatts are the new black – sorry – brown!

NOW that every 18-year-old just out of high school has "Death or Glory" up the side of their neck and a BLACK EYEBALL, cutting-edge tattooing desperately needed somewhere new to go.

And where it's gone is STRAIGHT UP THE DATE.

Ever since we broke the news with that yarn about the chick with the octopus tattooed on her blurter, trendy babes around the world have been spreading their cheeks and PUCKERING UP to get their chocco starfishes inked.

From LA to King's Cross, from Berlin to KATMAN-FUCKEN-DU, they're all into it.

We're not sure what have been the most popular DATE TATTS so far, but we're guessing some solid faves might be:

- "Hello Mum!"
- Wiping instructions
- Kanye West's face
- Ned Kelly
- UNICORNS, and
- Fucken DOLPHINS.

All, of course, in a nice shade of BROWN. Picture

IF YA THINKIN' OF GETTING SOME POOTER ARTWORK, HERE ARE A FEW TIPS:

- No curries for a few weeks after
- Plan on STANDING UP for a while
- Make sure the tattooist WASHES THEIR HANDS first, and CHECK THE SPELLING AND GRAMMAR before commencing.

LET THERE BE DOSH

Australia flips over Acca-Dacca coins

TOP news, readers – now you can BUY YOUR WAY TO HELL with some grouse new AC/DC money.

The Royal Australian Mint has THUNDER-STRUCK two special coins – a 50 cents and a five-buck – to celebrate the 45th anniversary of the best rock band ever.

You won't want to be fronting up to the bar to buy a few coldies with them, but, 'cos they're certainly not DONE DIRT CHEAP – the 50-center costs $15 and the you-beaut triangle $5 job costs $130.

SHOOT US DOWN IN FLAMES, but that seems A TOUCH TOO MUCH.

However, if you do have a WHOLE LOTTA READIES to spare you can order one of the 30,000 50c coins or 10,000 $5 coins from the mint's website.

After all, MONEY TALKS. ■ Picture

At last you can have the money AND look at her tits!

GET UP YA SOOK!

...AND DON'T BE A WUSS

OUCHSKI!

I BET I'LL LOSE POINTS ON ME LICENSE, TOO

Anyone feel like a kebab?

WHO: A careless Russian driver

WHAT: A huge pole through his chest

WHERE: Fucken Russia, duh!

OUCH FACTOR 96%

WE HOPE they have paid sick leave in Russia, 'cos this bloke might need to swing a few days home in bed.

He was speeding on a multi-lane motorway in the city of Norilsk when he lost it, smashed through a fence and a handily placed 7cm-thick POLE pronged him clear through the chest.

But they're tough, these Russian blokes, and let's face it, usually off their tits on vodka, so he might not have even felt it.

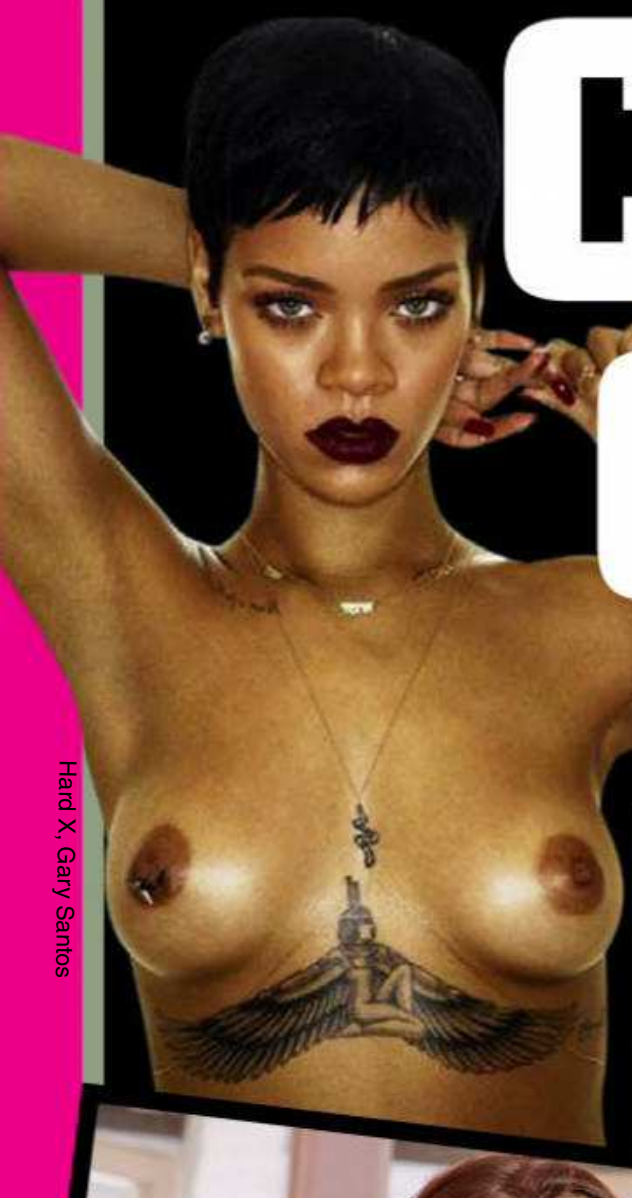
He may have woken up in hospital thinking, "Fuckski! That was some party at Igor's place! Hope I didn't make an ARSESKI of myself."

Then he'll see the huge gaping hole in his chest and think, "Oh, yeah, right..."

So get up ya sook, have a couple of shots and get to work,or you might be docked a day's pay. ■ Picture

CUMMING OF Age!

We share our big day with these babes in their birthday suits



RIHANNA

Like every other year, we're pretty sure Rihanna celebrated getting a year older by tweeting a tits-out selfie to her fans. That way they can see, by comparing it to all the previous years' snaps, year-by-year how much closer her norbets are getting to the ground.

FAYE REAGAN

If we know Faye – and after following the rootable redhead's stellar porn career for many years, we believe we do – we'd say she would've rung up her 30th by suckin' a few cocks, lickin' a few smoos, and keeping out of the sun. Oh, and some fairy bread.

ABIGAIL MAC

Given Abby's predilection for munching on fur pie for most of her career in porn, we'd say a big night out with the girls, then all back to her place for a massive lezzo lick-fest with hot cocoa and toasted marshmallows for desert. We only hope she filmed the whole thing for streaming on her website.

Hard X, Gary Santos

SASHA GREY

Still a legend of porn, even though she retired back in 2009. We reckon Sasha would've spent her birthday getting out the Brasso and cleaning rags and polishing her many awards, including the AVN for Female Performer of the Year she won back in 2008.

REMY LACROIX

It's hard to believe, but the pixie-faced porn princess is now, like THE PICTURE, in her third decade. But there you go. They grow up fast, don't they? Instead of birthday beers she probably drank SPLOOGE from several blokes.

ASHTON AVENUE

Ashton, beaut PICTURE covergirl, would've spent her birthday swilling bubbly in the nude while reading the latest issue of THE PICTURE and diddling herself over Mungo's headshot. She always had a thing for him.

ROMI RAIN

It's just a guess, but we'll say Romi probably celebrated her 30th by taking a series of huge porn-star dicks up her arse, blow-jobs all round and a litre or two of splooge on her face, followed by pizza, beer and a chick-flick on the teev. Just a quiet night in, then.

READERS' WORLD

MUNGO'S ON TWITTER

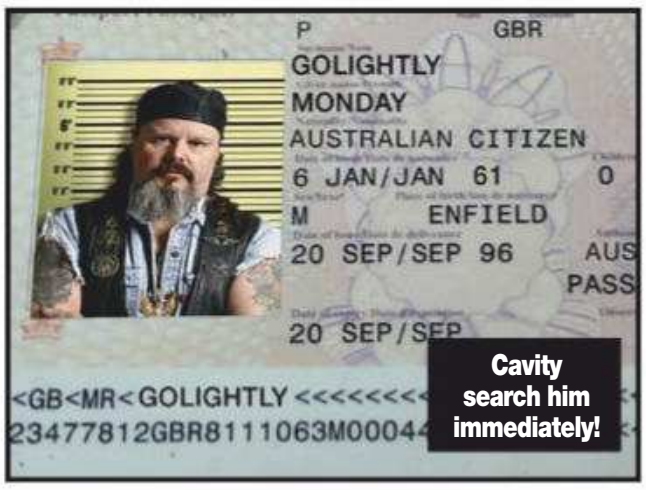
That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at:
https://twitter.com/ThePictureMungo

WHAT'S IN A NAME?

I WAS wondering if Mungo is your real name, or is it made up from bits of your first and last names, like ScarJo (Scarlett Johansson and ScoMo (Scott Morrison)?

L.R., KALGOORLIE, WA

MUNGO SAYS: Er, yeah, sure – my real name is actually Monday Golightly, but you can't risk that being read out when you win the jackpot down the RSL. The big boys would tease me, and I'd cry, so I went with Mungo. Happy now?



GET PARKED

HI MUNGO. For years I've thought you were (as you have said) a "Man of the People", one who would rather attend a bar than a shitty reception for some no-name big wig, and I accepted this. Well, what a shock it was to see a national park in your name. In your defence, it is a desolate, remote place with no bus route, but why have you kept this from your readers? Is it because there's no pub there?

P.S., METFORD, NSW

MUNGO SAYS: I can't help it if people want to honour me with parks, statues, national holidays and the like. I'm a humble man, but sometimes these things happen. I'd seem like a right cunt if I refused. But I'd much prefer it if tributes were kept low-key, like someone anonymously bunging some money in my TAB account , or leaving a slab of Melbourne Bitter on my doorstep at midnight. That's just the kind of bloke I am – a modest hero.

MUNGO'S SHOUT

30 fucken years? That's about 112 Aussie prime ministers by my count. Miley Cyrus wasn't even a foetus when THE PICTURE started. Angus Young wasn't bald, you could smoke in pubs, and Valiant was still a respected name in Australian motoring (even though they'd ceased production seven years before that, you could still get parts, so fuck yez). What I'm trying to say is that in the ever-changing shit-show that was the last 30 years of human history, the one thing you could rely on, has been THE PICTURE. Of course, I wasn't here when THE PICTURE started, being engaged at the time in other activities, none of which you need to know about, and all of which I will deny under oath. But I know, as you all do if you've got any sense, that it's the only thing that's worth a pinch of shit in the world these days. Remember these important truths: Tits are eternal. Having a laugh is as important as breathing. Never plead guilty. And THE PICTURE is the DUCK'S GUTS.

MUNGO WANTS TO KNOW...

What's the worst nickname you ever had? And what was the reason? I'll pay REAL DOSH for REAL EMBARRASSING ones.

PEAK KIKI

A COUPLE of issues back you asked who we'd like to see back in the mag, well, I miss Kiki Vidis, the Aussie hottie who did a bit of porn in the US for a while then seemed to disappear. I was wondering what she's up to now. I know she was a PICTURE regular, so how about getting her to give us another look at her lovely tits and smoo and cute smile?

G.W, WARWICK FARM, NSW

MUNGO SAYS: By sheer coincidence, our little mate Kiki has been in touch lately to wish us happy birthday for our 30th and sent us a lovely nude tribute which shows her looking better than ever. She's OS at the moment, but reckons she'll be back in a month or so to resume her stripping career in Oz. We miss her, too. Seems only yesterday she was hangin' around the office buying us kebabs and being lovely, bless her.

IN LIKE GWYN

G'DAY Mungo. I think I spotted a clone. Call me crazy, but the moment I saw Rach, the Homie in #1467, I immediately thought 'Gwyneth Paltrow'.

M.L., IPSWICH, QLD

MUNGO SAYS: OK, you're crazy. And so's Gwyneth, but let's not go into that here. Frankly, I think you're clutching at straws. Yeah, Rach has the same shade of dirty blonde hair and has that same faraway, slightly dazed, look in her eye as Gwyneth, and they both look like they could use a good steak, but that's about it. Fuck it, here ya go.

Q. WHY HAVEN'T ALIENS VISITED OUR SOLAR SYSTEM?
A. THEY LOOKED AT OUR REVIEWS AND WE ONLY HAVE ONE STAR.

PAUL, STANBRIDGE, NSW

THREE blokes are sitting around comparing their weekends.

"I got so smashed I blew chunks when I got home," says the first bloke.

"That's nothing," says the second bloke. "When I got home I puked all over my own front step, then slept in it."

The third says, "Guys, I couldn't even find my place. I slept on a park bench."

There's a few seconds of silence, and the first bloke mutters, "Chunks is our dog."

Q. WHAT'S RED AND BAD FOR YOUR TEETH?
A. A BRICK.

MY DAUGHTER woke up one morning crying because one of her hamsters had died overnight.

"Dad, I want another one just like it," she said through her tears.

"Are you sure, sweetheart?" I asked.

"Yes," she replied.

So I reached into the cage, pulled out a second hamster and smashed it's brains out against the wall.

A BLOKE walked into bar with a crocodile and asked the barman, "Do you serve lawyers here?"

"Sure," said the bartender.

"Good," said the bloke. "Make that a beer for me and a lawyer for my crocodile."

JOKE OF THE WEEK WINS $100

A BLOKE walks into a bar and asks for a beer. "That'll be five bucks," says the bartender, and the guy throws ten 50 cent pieces onto the floor. Reluctantly, the bartender picks up the coins and serves the beer.

The next day, the guy comes into the bar, asks for a beer, throws ten 50 cent coins onto the floor and the bartender picks them up again.

The next day, the same thing again.

On the fourth day, he asks for a beer and hands the bartender a $10 note. The bartender takes advantage of his chance for revenge, and throws his change as coins onto the floor and yells, "Here's your change, dickhead!"

The guy looks down at the coins and says, "I'll have another beer, please."

THREE women were sitting around throwing back a few drinks and talking about their sex lives. Karen said, "I call my husband 'The Dentist' because nobody can drill like he does."

Joanne giggled and confessed, "I call my husband "The Miner" because of his incredible shaft."

Kathy quietly sipped her whiskey and said nothing until Joanne finally asked, "Well, what do you call your boyfriend?"

"'The Postman'," she replied

Looking puzzled, Joanne asked, "Why "The Postman'?"

"Because he always delivers late and half the time it's in the wrong box."

"FUCKING cancer!" I said to the barmaid in the pub last night. "I swear if I could switch places with my 12-year-old son right now, I would."

"That's awful," she replied. "What type of cancer does he have?"

I said, "He doesn't. I do."

A YOUNG bloke fronted a gorgeous sheila who was behind the counter at a watch repair shop and flopped his cock on the counter. The woman serving was horrified and said, "I'm sorry, sir, we repair clocks here, not cocks."

"That's fine, sweetheart – I'm in the right place," said the bloke. "Could you just put two hands on this for me?"

THIS WEEK: GETTING OLD

Q. WHAT'S THE WORST THING ABOUT BEING A GRANDPA?
A. SLEEPING WITH A GRANDMA.

The young man asked, "What's so bad about that?"

Q. HOW DO YOU KNOW YOU'RE GETTING OLD?
A. PEOPLE CALL AT 9PM AND ASK 'DID I WAKE YOU?

Q. WHY DO OLDSTERS LIKE GARDENING?
A. THEY'RE JUST GETTING USED TO THE FEELING OF DIRT.

Q. WHAT'S THE BEST THING ABOUT BEING MARRIED TO AN ARCHEOLOGIST?

MY PARTY FUCK

READER'S ROOTS FROM AROUND OZ

PARTY IN MY PANTS

ONE of my all-time best fucks happened at my mate Jordo's birthday party – in fact, it was with his ex-girlfriend Tania.

They'd only justly broken up and they were doing the "let's stay friends" thing, although I knew Jordo was still busting his balls over her because she was such a fox.

Actually, me and a bunch of his other mates were as well, so when she rocked up to the party on her own and looking the sexiest she had ever looked, there was a fair bit of competition.

But she'd always had a thing for me, and used to flirt with me like crazy behind Jordo's back, so I carefully manoeuvred her into a corner for a deep and meaningful convo while the party went on around us.

Next thing, I looked up and we were alone as everyone had gone into another room for speeches and cake.

Tania looked at me, I looked at her – and bam, we were tangling tongues and trying to get at each other's goodies.

As soon as we started feeling each other up we both knew we wouldn't be able to control ourselves – her smoo was as wet as fuck, and my dick was nearly busting out of my jeans.

So what was just gunna be some groping turned into a full-on fuck.

Tania was naked in a flash – she only had a dress and panties to deal with – so by the time I'd got my jeans and T-shirt off she was bent over the couch looking back over her shoulder at me and rubbing her pussy.

We could hear everyone singing happy birthday and doing three cheers, so we know we didn't have much time – we just fucked like cats in heat for all of three minutes and both came like trains.

We just managed to get dressed again before everyone came back in, then afterwards we fucked off back to my place and went at it all night.

L.K., AUSTINMER, NSW

TAKE A SWING!

MY FIRST swinger's party was quite an experience, especially since I didn't know in advance it was gunna be THAT sort of party.

I went along to this invitation-only do at a nightclub with my boyfriend Pete and his best mate Jase, 'cos another friend had got us all on the guest list.

It was very swish and I noticed straight away that all the chicks were dressed in bugger-all and there seemed to be a lot of touchy-feely going on.

When they lowered the lights and this stunning couple came out, undressed and started fucking on the floor, I knew what it was all about.

I was gobsmacked at first, but I saw Pete and Jase – who was a stud, by the way – going goggle-eyed. I thought, "I might never have a chance to do this again," and grabbed both of them by the hand.

I stuck my tongue down my fella's throat while I reached back and rubbed Jase's package though his jeans. It felt pretty impressive, so I knelt down, unzipped him and flopped his cock out.

While my boyfriend watched, I deep-throated his mate's nice fat cock until it reached maximum hardness, then led both of them over to one of the couches.

While people were fucking all around us, I stripped off and steered Jase's quivering hard-on into my wet pussy while I turned my attention to Pete. His slightly worried look turned to one of pure joy as I gave him my best sloppy blowjob, while he watched me taking Jase's big throbber inside me.

Taking full control, I then switched around so Pete could fuck me while Jase shoved his cock down my throat, and all three of us enjoyed the show going on around us.

I didn't fuck anyone else that night, but I've already told Pete I want to go to another party like that and next time I'll go all out.

OFF WITH A BANG!

EVERY year I planned to fuck in the New Year, but somehow it never worked out, for various reasons – too pissed, girlfriend got the shits, fell asleep at 11.30, whatever.

So this one year I thought bugger it, just let it go. What's so special about New Years?

With the pressure off, I go to a mate's party and I'm having a good time when out of the crowd comes my ex-girlfriend, Sam, who had shot me down in flames a few New Year's Eves previously for being a pissed idiot. And fair enough, too.

Anyway, she's already pretty pissed, and she eyes me slyly and says, "So did you ever get your wish of a New Year's Eve root?"

Felling a bit stupid, I just laugh and say nah, I've given up on that.

Then she gives me the wickedest, sexiest look and replies, "Aww, that's a pity – 'cos I wouldn't mind one myself!"

Sproing! My dick shoots up like a rocket! I try to keep calm, thinking it probably won't happen, but Sam grabs hold of my arm, leans in and gives me the horniest tonguey I've ever had.

It's only about 10 minutes to go, so we grab a blanket and a bottle and find a place in the shadows down the end of the backyard.

We settle down and she immediately starts sliding her jeans off, presenting me with her perfectly trimmed moot. I can actually see her pussy juices glistening in the moonlight, but I still can't believe it's going to finally happen.

But it does. After jamming my fingers up her wet cunt to get her moaning, I swing her round on top of me so she can slide down my pole and start rocking back and forth.

And as the fireworks go off and everyone starts singing that stupid song, we fuck.

Perfect! Another one off my bucket list.

AMERICAN SEX-PRESS

KENDRA'S BIRTHDAY SUIT!

iCandy Productions

WE ALL know Aussie chicks are the most rootable women on the planet, and you know who agrees with us? Stunning Seppo porn star Kendra Sunderland, who twinkled into our office recently on her way to Adelaide Sexpo.

"Aussie women are beautiful," laughed the blonde 23-year-old, whose bathwater we would sip like FOINE WOINE. "I haven't met a lot, but if I was to judge based on Angela White I would say they are much nicer than Americans."

Wow. Big call. So have you hooked up with Ange yet?

"Not yet. She keeps making me wait. I'm sure we will get around to it soon. She's beautiful."

Damn right. How long have you been in the wonderful world of porn?

"Four years, but now I just do special projects. I love my job because I get to travel around having sex, and I get paid for it!"

How did it all start for you?

"I was at college and doing some naughty webcamming in the library. I had no idea how big it would get. Suddenly it was on the news and frat boys were trying to friend me on Facebook. My nickname

"MY BUSH IS FUN TO PLAY WITH"

KENDRA

became 'Library Girl'."

Will you be doing that in OUR libraries?

"No. I want to be allowed back into the country."

Tell us about your tits, please.

"They're an all-natural G-cup, but that fluctuates. People stare because they are popping so much. They help me get away with things, and they are fun to bounce around."

Are they your favourite body bit?

"No, I like my bush. It's so fluffy and fun to play with."

Yay the bush! Just how fucken happy are you to be in Oz?

"Australia is the place I've wanted to come to my whole life – and now I'm here! I'm hoping to see a kangaroo, but I'm REALLY hoping not to see any spiders!"

Good luck with THAT. Would you say you're bisexual?

"Yes, but I definitely prefer the dick!"

Correct answer. Must've been all that studying at the library.

FOREIGN AFFAIRS

Billy's smoo is doing wonders for international relations

MADE IN OZ GIRL

BULLSHIT HOT Billy spends her weekends waiting café tables and TRAWLING through Cairns nightclubs on the hunt for hot blokes with FUNNY ACCENTS.

"I love dancing and flirting with hot backpacker guys," swoons the 19-year-old BANANA BENDER. "There's no shortage of sexy overseas guys in Cairns."

So you've sampled a few different nationalities?

"Oh yeah. I think I've slept with more foreigners than Aussies!"

Poor local blokes! Which country is the best root?

"I slept with this guy from Argentina who was amazing in bed, so I'm going to say Argentina."

What set him above the rest?

"He could go for hours. It was crazy. I was getting very tired but he kept giving me orgasms so I just kept going. It was incredible. Unfortunately, he was a bit of a creep outside the bedroom."

What does a local bloke have to do to win you over?

"Be different and more care free. That's why I like the backpackers so much, because they're nothing like the guys I grew up with. Plus they're on holiday so they have a happiness about them. So there's not much the local guys can do. Sorry."

BACK IN BLACK

Tori Black's 30 and still VERY dirty

Picture57

THERE isn't a square inch of Tori Black that ISN'T boner-worthy. From her perky norks to her incredible arse, there's a reason they call her "the porn star supermodel".

She's also the ONLY porn star to ever win the AVN award for Female Performer of the Year TWICE – which officially makes her the BESTEST ever. Yay, Tori!

So we were stoked to find out she is back from retirement after a five year break and making more top-quality spuzz cinema for her fans.

"It's great to be doing it again," purred the 30-year-old dick-hardener. "I got into it when I was 18, to make some money in college, and now we're here."

"IT'S GREAT TO BE DOING PORN AGAIN"

"I GAVE HEAD ON AN AIRPLANE"

What was your first scene in the jizz biz?

"My first porn scene ever was shaving my pussy. This might seem quite normal to some, but for an 18-year-old girl who was still having sex with the lights off, shaving yourself on-camera was... quite different! I had no idea what I was doing."

What's rooting like away from the camera for you?

"Great! I love giving head. When a guy starts twitching, that's the hottest shit ever! Sometimes, if I know he's right on the verge of coming and if I'm feeling kind of evil, I'll stop."

Have you ever done it in public?

"I gave head on an airplane recently, but not in the bathroom – in the seats! We were on a flight back from Argentina and we were sitting in the middle section. You know how the middle has three seats? There was some old fat lady next to us but I put my head under the blanket and went down on him. He was really noisy! It wasn't very discreet."

ZOINKS! What's the most important thing that porn has taught you?

"That I'm a lot more normal than I thought I was. There are so many people just like me. I thought that I was dirtier, more filthy, more slutty... and the truth is that I'm not. I'm all of those things, but so is everybody else."

BEAUT BUM > HOMIE OF THE WEEK > SELFIES > TOP TITS >

AMBER AAY // 22

MELBOURNE, VIC

When she's not studying to become a nurse, this 22-year-old spunk is SPINNING AROUND POLES. "I absolutely love pole dancing," cheered Amber. "I used to teach it, but now I just do it for fun. It's a great way to stay in shape, and I've got it to thank for having such a nice bum." ***We're thanking it for your nice bum, too! Do you also like swinging around MEAT POLES?*** "Yeah, I really enjoy sex. I'm not too adventurous, but I do like getting off in the shower. Having the water cascading down my naked body is such a turn-on, and standing up means I'm in just the right position for the guy's cock to hit my g-spot." ***What sorta fellas are you attracted to?*** "Funny guys with lots of tattoos – that's the perfect mixture. I like bad boys, but they've also gotta be able to make me laugh if they wanna get me into bed." ***What's the best way for a bloke to get you in the mood for a shag?*** "There's nothing better than a nice, sensual massage. I can just lie down, close my eyes and fantasise about whatever I want while my whole body is rocked with pleasure. It's a great way to spend an evening." ***We can't think of anything we'd rather do!***

ELLA // 19

BRISBANE, QLD

South Africa might be a little bit SHOOTY these days, but we can forgive that if it keeps producing spunks like Ella! "I've been over here for 13 years and I have a very active sex life," gasped the 19-year-old student. "I recently had sex on the back seat of a car that was parked in a shopping centre car park. I tried to be discreet but the fella was just too good and I ended up making enough noise that a security guard came up and knocked on the window." ***What happened then?*** "He gave me a big smile and said we could keep going, but that we had to be quiet. Then he hid around the corner and watched us, and I'm pretty sure he was masturbating. That's fine, though, because I don't mind putting on a show." ***Legend! What sorta fellas do you go for?*** "Body builders, because I love their big muscles and the fact they can pick me up and do what they want with me. I like to go out to parties and drink tequila, then go back to a muscular hunk's house and fuck all night. It doesn't get any better than that." ***Time to hit the gym, readers!***

BETTSYBOO // 29

DARWIN, NT

"I love to be naked," says this 29-year-old Pomgolian traveller. ***It's a good thing you're not a religious fundamentalist. You're obviously proud of those beaut chesticles.*** "I wake up in the morning and I'm usually groping them." ***What about when you get someone in to do that?*** "My favourite position is on the side; I like to call it 'spoon sex'. It's usually a bit of harmless spooning that turns into more." ***We'd like to watch that. Do you dig jizz flicks?*** "When it comes to porn, I will usually watch girl-on-girl. I find a girl's body so attractive to look at and it gets me off more." ***Wow - we have so much in common! What do you prefer, boobs or bum?*** "My boobs are my favourite part of my body."

JADE // 24

KINGSCLIFF, QLD

"I like having my bottom spanked like a naughty child!" says retail assistant Jade. "I don't know why, but I've always enjoyed a spanking." ***Do you like a spank even when you've been a good girl?*** "All the time – whether I've been naughty or nice." ***Do you like being the SPANKER sometimes?*** "Definitely. I know how much I enjoy it, so I like to repay the love." ***Any other tips for what a lucky fella needs to do to impress you?*** "Just be a normal, nice and friendly guy outside of the bedroom and a filthy butt-slapping hunk inside it!" ***Our palms are tingling already! Had any wild outdoor sex adventures recently?*** "Nothing too wild. I had sex with an old boyfriend in a car a few weeks ago. I hadn't seen him in ages and he drove past me at the bus stop and said hop in." ***Did you know it would lead to ROOTAGE?*** "I had a slight inkling..." ***Atta girl!***

MIMI // 18

BRISBANE, QLD

When she isn't slicing into doner meat at her part-time job, 18-year-old Mimi is studying French, German and Latin. ***Which language is the sexiest?*** "Probably French. No, definitely French." ***Zut alors! What turns you on?*** "A really hard penis." ***Does it have to be big, too?*** "Preferably." ***What should the schlong owner do to you?*** "Play with my breasts and be really good at sex." ***Ever put a girl through her paces?*** "No, I've never found one attractive enough." ***How about a threesome? Or as you might call it, a ménage à trois?*** "I did it with two guys. Alcohol was involved, but I was sober. I like the fact they both got aroused by my breasts. It made me feel sexy. I got penetrated by both. At one point I had one in my mouth and was being penetrated by the other." ***What's Latin for "sounds beaut"?***

"I had one in my mouth and was being penetrated by the other"

JESS // 30

SPRINGVALE, VIC

Thirty-year-old Brit Jess knows how to strip for a partner. "I like to draw it out by wearing lacy thigh highs under normal clothes and letting him glimpse them throughout the evening." ***Ever been to a strip club to see the professional clothes-removers in action?*** "Yes. I even worked in one for a couple of months whilst backpacking in Asia. It was when I lived in Tokyo. It was a fun experience." ***We'd like to have seen that. Were you nervous on your first night?*** "Not at all, I have never been shy like that." ***What is the most explicit thing you ever did on stage?*** "S&M bondage shows, that included bull whips and labia clamps." ***Sounds loads of fun.***

JESSICA // 28

YOUNG, NSW

This 28-year-old backpacker is picking fruit in the NSW countryside at the moment. "I'm in the middle of nowhere," she told us. "I have to walk up to the hills for 30 minutes to have reception." ***Don't worry love, we'll be quick. We love you AND your hair. Both top AND bottom.*** "I love short hair, yes. This is me. People in Australia sometimes thought that I'm lesbian only because I have this style of hair. This is funny!" ***So you're definitely NOT a lezzo?*** "No. I go for guy… or maybe not! This is one of my strange thoughts I have." ***As long as we can watch. Had any AUSSIE BEEF?*** "Unfortunately I didn't spend time with Aussie boys at the moment." ***You haven't lived.***

PASCAL // 28

PERTH, WA

Pascal has taken her 28-year-old body away from Europe's ski fields to expose herself to new cultures – and expose herself to a photographer. ***How do Australian men compare with blokes back home?*** "They're very open and friendly and really manlike." ***You obviously haven't seen our staff. What do you miss about Europe?*** "The cheese." ***Thought you'd say that. Do you ever get naked on the beach?*** "Sometimes. I like it because I get my breasts and my arse brown." ***Mustn't have been in a little bit - you've got some nice tan lines going in these pics. What was it like getting your breasts and arse photographed?*** "The experience was good. I like doing something I wouldn't do back home." ***We can give you a list if you'd like. It'd probably be too cold to strip off, anyway.***

the Picture 30TH ANNIVERSARY

PIXIE // 20

ADELAIDE, SA

"Most of my adventures result from drinking," says this 20-year-old, who recently retired from the lucrative world of stripping. "I like random road trips. Once we ended up in Melbourne – not sure how that happened." ***We know how you feel. Half the staff here aren't sure how they got to the office. What else are you into?*** "Graffiti." ***What kind of graffiti are we talking, Pixie? Writing numbers on toilet doors?*** "I haven't tagged anywhere too out-there, but I have done some along train lines. I do a lot of drawing in my books, though. I've been drawn in the nude, if that's any help." ***Oh, believe us, IT IS. Where did you pose?*** "The artists actually drew on me. I was in my underwear once, and just in jeans another time." ***Your tits would make a great canvas.***

KRYSTAL // 28

ADELAIDE, SA

Ruggies. Not only do they drain the pocket and interrupt important sports telecasts with requests to watch *Dora the Explorer*, they also cramp your rooting calendar. Just ask 28-year-old MILF and accountant, Krystal. ***How have your two sproggers affected your root count?*** "I have to wait for them to sleep. And I can't be too touchy-feely around the house. Everything stays in the bedroom." ***Lucky bedroom. What takes place in the there when peace has been restored?*** "I like to look as sexy as possible. And massaging turns into touching and rubbing and then I'm ready to pounce." ***Sounds like a slow start.*** "Foreplay is a must." ***What's the best way to play?*** "A gentle clitoris rub and nipple licking is enough to get me wet." ***Or a hose down in the back yard. And then when you're ready to go?*** "Definitely doggy style. It goes in deep. And painful, rough sex is the best." ***How rough is too rough?*** "I don't want to damage the goods, but enough to get watery eyes."

"Painful, rough sex is the best"

JESSIE // 19

SYDNEY, NSW

The kinkiest thing this 19-year-old student of real estate has done is "tie my boyfriend up". ***You did remember to let him go before someone called the cops, didn't you?*** "Yeah, the next day." ***Heh. Good joke. We hope. Before you confess to chopping someone up, what do you like most about your body?*** "My boobs." ***Do you like to show them off? We mean, not just to us. Like at the beach. Or televised sporting events.*** "I've only shown them once, at a music festival to Skrillex." ***Imagine what you'd do if he played a REAL instrument. Speaking of playing with instruments… How big is too big when it comes to a bloke's shlong?*** "I like average size."

KAITLIN // 26

BRISBANE, QLD

No-one likes taking their work home. Unless you're 26-year-old stripper Kaitlin and you're having some after-hours fun with a fellow podium performer. "After work, we decided to come back to mine. We were drinking red wine, we had a bath together, then one thing led to another and we started playing around. I like to try new things." ***Top darts. Would you do it again?*** "Probably, with someone else." ***Any other same-sex fun in your past?*** "There's been a group situation with four people. We were both in different rooms, then we swapped. Then we all got in the shower, and then all got in the bath. I played with the girl, as well." ***Sounds like good, clean fun. Only with rooting.***

HOME GIRLS

GO HARD! GO HOMIES!

MARY JAYNE // 24

MELBOURNE, VIC

"My first threesome was this year. It was pretty bloody awesome. It was my ex-boyfriend's birthday. It was just meant to be a lesbian show, but he ended up getting in and fucking us both. We used a double-ended dildo and everything," says this shy, retiring 24-year-old dancer and topless barmaid. ***The world needs more double-ended dildo stories. How was it?*** "Good, actually. It was the first time I'd tried it. I liked it. I still prefer giving girls head." ***How often do you do that?*** "I was seeing this girl once and it was all the time. Now it's about once a month." ***Do you prefer getting head off guys or girls?*** "I prefer to be the giver in a head situation." ***With both sexes?*** "I prefer giving it to girls, but I don't mind giving it to guys."

KLAU // 20

PRESTON, VIC

Twenty-year-old Spanish spunk Klau is a girl with hobbies we can get excited about. ***What's your fave thing to do in bed? Besides sleeping, that is.*** "Threesomes." ***I suppose that doubles our chances of getting it on with you? With the lights on or off?*** "I love soft light. It's so sexy. And always with good music." ***Mariachi bands? Polkas?*** "Rock or blues. It's magical." ***Would you have great sex or an amazing meal on your last day on earth?*** "An amazing meal for sure. Or both, ha ha. But I'm more satisfied with sex." ***Do you use social media much?*** "No, I don't use it very much. But I don't care. I think the last time I ever sent an actual letter to someone was in high school."

"I love to dress up in outfits"

AGNES // 24

SYDNEY, NSW

If this 24-year-old customer manager is hovering around the DVD player, you may be in for a bit of a rooting-related treat. "Porn always gives me creative ideas for sex, so it's always good when I 'accidentally' put it on for my guy to give him ideas, too." ***Beats watching* Winners & Losers. *Not that that's hard. What sort do you like?*** "I like naughty-themed ones like the ones with teachers, nurses, women in uniform, as I love to dress up in outfits." ***What position has porn taught you to be the best at?*** "Cowgirl." ***Being photographed – what do you like about it?*** "How comfortable you can be in your own skin and how amazing you can look. I always try to love all of me, but I love my bum. I'm blessed with a big-sized one." ***And we're blessed with seeing it. Which Olympic event would be better performed naked?*** "Gymnastics."

HOME GIRLS

GO HARD! GO HOMIES!

LESLIE // 28

MELBOURNE, VIC

Looking between Leslie's 28-year-old legs is like meeting an old friend you haven't seen in years. So, is this American medical assistant with awesome boobs riding the crest of a new wave in minge styling? ***A real thatch of pubes! Is the foo-foo fuzz on the way back?*** "I'm probably thinking so." ***What about those rampaging 1970s-porn-style bushes so thick they can be seen from outer space?*** "I don't think those will EVER make a comeback." ***Boo! Bring back the bush, we say! Well, we're glad we saw yours.*** "This is a new experience for me. I like my body because it's different. I like my curves. I'd say my body is very proportionate." ***That's one way to put it - we'd say it's just fucken awesome.***

BERRY LEE // 23

Sometimes you just need something to get a gathering going. Just ask 23-year-old ranga model Berry Lee. "All the girls and guys I tend to hook up with like my boobs." ***So you like a bit from column A and a bit from column B.*** "Sure do. I like to play in groups, too." ***What's the biggest gathering thus far?*** "About four years ago I was with six people; four girls and two guys. There was lots of doggy style, both anal and vaginal, while I licked someone out or gave the other guy head with help from at least one other girl." ***Sounds quite the get-together.*** "Reverse cowgirl was good, too. No DP, though. I really want to." ***Good things come to those who wait – and open both holes at once. What do you like about backdoor action?*** "It's naughty and feels amazing." ***We're feeling something a bit amazing right now. Which country do you most want to visit?*** "Nepal so I can go trekking. Also I'm sure I'd meet so many amazing people all with good life stories." ***Maybe you could even find that DP.***

TIFFANY // 28

DARWIN, NT

French spunk and philosophy student Tiffany, 28, is a big believer in the socially enhancing effects of our good mate alcohol. “I’ve had sex with a girl and a guy at the same time. I already knew the guy, but not the girl. She made us drink a lot and then drove us into her bed; it was an amazing experiment.” ***So you don’t mind a spot of inter-vaginal relations?*** “I’ve had sex with my best friend when we were drunk. We left our friends to go in a room have sex. We did everything. We’re still friends now, it’s a good secret souvenir that we share.” ***Any more plans for group shenanigans?*** “I like porn where the girl is taken by two guys at the same time. I’d like to try that some day.” ***By the sound of it, they’ll need to invite you down the pub for a few first. Have you ever had sex in a moving vehicle?*** “Yes, I’ve had sex in a moving campervan. I’d like to try a 4WD.”

“I’ve had sex in a moving campervan”

LAILA // 27

SYDNEY, NSW

"I went to an all-girl orgy once," says 27-year-old Laila. "It was definitely an experience to remember." ***We can imagine.*** "There were so many beautiful women; many of whom I got the chance to fool around with." ***Sounds tiring – but in a good way.*** "My tongue certainly got a work out. And a few of the girls had a rather large collection of toys that were all dripping wet at the end of the night. My favourite was the strap-on." ***Were you a giver or receiver with the strap-on?*** "Both. I am not a pillow princess." ***What is the weirdest thing someone has asked you to do in bed?*** "I went home with a guy who asked if it was OK if he called me Jessica – his sister's name. I'm fairly open-minded, but that's where I draw the line."

LEYLARNI // 18

BRISBANE, QLD

Eighteen-year-old Leylarni is studying to be a bachelor. ***Our readers often fit that demographic. They'll be chuffed to have you aboard.*** "No, a bachelor of business." ***Oh. That sounds dull as a swingers' do at Bronwyn Bishop's place.*** "It's OK. I'm not sure it could get better, anyway." ***Do you like getting naked under the sun?*** "Yeah, kinda." ***Where else do you get starkers?*** "Not really anywhere." ***Not even the shower?*** "Yeah, well, everyone does that." ***What do you like about your rarely revealed body?*** "I'm kind of tall." ***How tall?*** "Five foot seven. That's taller than most of the people in my family." ***Do you have any cousins who are dwarfs?*** "No."

BRISBANE, QLD

Twenty-year-old Bella likes to stroll among the trees and animals on nature walks. Then have a root. ***You're a fan of outdoor fucking?*** "Yep, I do it wherever I am at the time that I want it." ***We'll keep an eye on you when you're crossing the road, then. Where's the most unusual spot you've had a bonk?*** "Probably on a nature walk in the bush." ***When you aren't giving the bandicoots a thrill, what's your favourite position?*** "On top – I like being in control." ***Do you ever go all submissive?*** "Sometimes." ***Had any threesomes?*** "Not yet. I'm waiting for another willing girl." ***What should she be like?*** "Brunette, curvy and ready to do what she's told." ***Has anyone ever busted you rooting?*** "Not yet, but I've had some close calls."

RUBY // 27

MELBOURNE, VIC

She's 27. She's from Pomgolia. And she's got the best set of natural tits we've seen for MONTHS. ***Those choozzies of yours are SPRAINING OUR COCKS, Ruby.*** "Everyone tells me they love my tits – they're size 12F and 100 per cent natural." ***Get outta town!*** "Yes, I grew them myself. It might be because of all the milk and veggies I had as a kid in England." ***Is tit-fucking out of the question?*** "No, I'm always up for that! I think Aussie men are great. I wish one would marry me so I can stay here forever." ***No need for that. We'll call customs and tell 'em not to let your baps leave the country. Would you take part in an orgy?*** "For an Aussie passport I would."

"They're size 12F and 100 per cent natural"

CHERRY // 23

NORTHERN RIVERS, NSW

This beaut blonde British traveller is an accountant back home. Which is a bit dull. Luckily she has a hobby that gets our thumbs, and something else, raised: "threesomes". ***You like a bit of group action, then?*** "While travelling, we get up to all sorts of things." ***Tell us more. Now. HURRY.*** "When you're in a dorm room sometimes you have to pretend you think the others are sexy so they don't dob on you for doing it with them in there. There was one Aussie guy in a dorm room in Byron Bay with four blondes; me (the British one), a German, a Swede and an Aussie girl. He was really hot and hard, with tatts all down his arms. I think he had a good night." ***He better of, or it's a waster! So you don't mind getting it on with the ladies, too?*** "Who hasn't?" ***Elton John?***

RHIANNON // 27

ADELAIDE, SA

Rhiannon, 27, goes to work every day knowing she's going to spend the next eight hours fondling funbags: "I'm a bra-fitting specialist." ***You get paid for that?*** "Yes. It's not all good, though. I'm telling you now." ***You're just saying that to make us feel better. What are the biggest melons you've fitted out?*** "About a 20G." ***Jeez, they must have had their own seat at the UN. Have you always liked bazoogas?*** "Yes, I'm in the perfect job." ***We didn't need to be told that. Do you take your skills home and play with someone else's noongas after you clock off?*** "No. It would be nice if I could, though." ***You like boobs in that way, too?*** "I'm bi." ***Measured up boobs and tockos at the same time?*** "Yeah, I have." ***Half your luck. The BOOB HALF, that is.***

SUMMER // 19

GOLD COAST, QLD

Summer is 19 and just back from "chilling in Hawaii". ***We thought it was supposed to be warm there. What do you like in bed?*** "Lots of kisses and cuddles." ***You do know this is PICTURE and not* Women's Weekly*, right? We were thinking more threesomes, dwarfs and swingers' clubs. Do any of those apply?*** "From that list, probably threesomes." ***So you've had a few of those?*** "No, I haven't had the opportunity." ***Call us when you do. You like the beach – do you go topless?*** "Yeah, normally, unless I'm surfing." ***When you go fully naked…*** "Exactly." ***What do you like in a bloke?*** "Tall, muscly, with deep blue eyes." ***Would two out of three do?*** "Yes." ***One out of three?*** "No. They also have to be tanned."***What should we do with circumcised foreskins?*** "Throw them in the bin." ***Not make a giant statue out of them?***

"I like lots of kisses and cuddles"

LUNA // 20

CAIRNS, QLD

The campaign to get Kevin Rudd out of our hair and off to the UN would be easier if he was more like 20-year-old Luna, who hails from Italy, but has taken her clothes off and wowed locals on stage in the US, Ireland, Spain and in front of fat, pale-skinned pubgoers in the Shittish Isles. And now it is Australia's turn to crack a collective fat as she heads Down Under to drop her undies down under… her feet. ***What do you like about travelling and nuding up?*** "I like the money I make. And so far Australia is fine." ***Where's the next place your skin will be on show?*** "America." ***Take a good, hard look, folks – her smoo will soon be leaving our shores.***

MANDY // 22

CABRAMTTA, NSW

It'll come as no surprise that die-hard Canterbury-Bankstown Bulldogs supporter Mandy's fave possie is DOGGY STYLE. "I love having my hair grabbed as I get fucked from behind," gushes the FAP-WORTHY 22-year-old. ***Ever copped a length at a footy game?*** "Not at a match, but I had sex with a guy in his car after a game once." ***Being a doggies fan we're guessing it was a Subaru WRX?*** "I'm pretty sure it was a Skyline. We were in a Maccas car park and were going at it so hard we didn't notice that a little crowd had formed outside and were looking in through the window and they even cheered when we finished!" ***The only thing doggies fans will cheer about this season!***

BRANDY // 20

AVON VALLEY, WA

If 20-year-old Brandy was the sort of thing you'd see on the average building site, you'd spend less time perusing THE PICTURE in the smoko shed. "This is the real me. The natural me. Most people are uncomfortable showing their sexy bits. I say, if you've got it, flaunt it." ***What gets you off away from the site?*** "I love it when I'm on top and he plays with and fingers my bum." ***Just fingers up there?*** "Some tongue action never gets turned down. And I like anal sex." ***Ever reciprocate?*** "With one guy I have done a little tongue action. I love to give as much as I love to get." ***What about strapping on a plastic dong?*** "No. Male penetration is not my thing." ***Have you ever had sex in a moving vehicle?*** "Yes. On a coach from Brisbane to Newcastle. We were the only ones on the bus other than the driver. It was a bit of a thrill trying not to get caught or kicked off."

"I love it when I'm on top and he fingers my bum"

$200 TOP TITS

SAL // 25

SYDNEY, NSW

The warmer months get us into the gardens. And out of our clothes. Luckily it's not just fat, old green thumb blokes but also some young hotties like Sal here, who looks right at home mulching … and showing us her awesome boobs. ***You like gardening?*** "Yeah, I do." ***We're not convinced.*** "It gets really hot, but." ***At least we can see that you trim your own growth down there.*** "Yes, I wax." ***Do you slip, slop, slap before you go gardening in the nude?*** "You mean sunscreen?" ***That's the slop bit, yes.*** "Um, yeah." ***Where else do you go naked?*** "At the beach – I go topless, anyway." ***Never fully nude?*** "I have once." ***Sydneysiders, here's hoping you get a sequel this summer.***

HOME GIRLS

GO HARD! GO HOMIES!

RACHEL // 24

PERTH, WA

Next time you fly, keep an eye out for this hot hostie. "I dragged a hot passenger in to the toilets for a quickie once," admitted the 24-year-old who refused to tell us which airline she works for. ***What else goes on up there?*** "All sorts of things. I used to work as a stripper before this and flight attendants get up to waaay more stuff." ***Have you ever fucked a pilot?*** "Yes, but not while he was flying the plane. I'm not that unprofessional." ***Please tell us you wear the uniform outside of work hours.*** "A few guys have asked me to put it on and I don't mind, just as long as they don't mess it up too much." ***Your last great root happened…*** "On my mum's longue when she was down at the shops. It felt so dirty, but I loved it. Mum would be horrified if she found out." ***What do you like in bed?*** "I love to be dominated. It's such a great feeling when guys take control of the situation. And just the last year or so I've started getting into anal. It's such an intense feeling." ***We'll take your word for it.***
